## BOOK SYNOPSIS

Designed to work in conjunction with REAs GED test preparation book, this volume helps students develop a solid foundation for the skills they will need to use in approaching the Literature and the Arts section of the GED. A diagnostic pre-test helps students see the areas they need to focus on the most, while a post-test helps them assess their progress when they have finished all the exercises. Provides a thorough review of the basic topics of reading literature, poetry, drama, and commentary
